## Fact

**Clothes in the future will be able to transmit a physical hug.**

## The programme

Wherever you live, Fren'Chic Touch can help you to French Up your Style. *Oui oui* ever online. You are always in the rush with work, family, house… You live overseas… but you definitely want to update your style and find your "je ne sais quoi". With the flexibility of internet, you can French up your Style online. It's like having your Style Consultant at home.

How it works? It's simple.

Once you booked your French Up my Style Online, the process is as below:

### STEP 1

* Email us 3 different selfies

* Answer a questionnaire sent by email: My Style Diagnostic that will allow us to define the best advices to determine what is your personality and emphasise it.

* Make an appointment with Caroline for a Skype Consultation to speak about your expectations, needs and goals. What are you looking for? How do you describe yourself?

**STEP 2**

✳ Receive by emails photos of outfits

✳ Know how to refresh your wardrobe, discover what are your colours, how to put outfits together, how to accessorise with our constructive tips.

✳ Try the item selected and send us your new selfies.

✳ We can create online outfits for you that you can also purchase online with a special offer.
