

French up my wardrobe

4 hours - \$590*

* AUS Dollar

Fact

Most women wear less than half of the clothes they own, this is true of only one in five men. (Source: huffingtonpost.co.uk)

The programme

Every morning you wonder how you're going to dress, convinced that you have nothing to wear even if your wardrobe is full. You just don't know how to mix your clothes. Caroline can help you to reinvent your wardrobe, move your habits, decide what to keep, what to toss and will assist you to find the perfect matches. Time for a dressing detox.

This programme includes:

- * Find the right combinations and how to put outfits together
- * Find what colours suit you the best
- * Wear the right clothes according to your morphology type
- * French up your style with accessorises
- * Make a list of what you need in your wardrobe.
- * Lose your habits and have a new and different eye on your clothes.
- * Divert, mix and associate differently your pieces.

Possibility to arrange less hours (*minimum 2 hours for \$300)
